

Leasing Options

Easy, **flexible** financing options
customized to meet your **needs**.

Loan to own. With only a small deposit, Amfit's Loan to Own program gives you the ability to use Amfit equipment while spreading out the acquisition costs. You pay a small monthly amount and take title when you make the last payment.

Conserve your cash. Financing gives you more purchasing power and allows you to retain your cash for other purposes. You can easily forecast your budget by paying off Amfit's equipment in fixed monthly payments.

Flexible financing. Amfit's goal is to help you accelerate your business with the latest orthotic technology, while maximizing your budget. We offer traditional payment plans and flexible leasing options.
